

310. československá stíhací peruť RAF

Znak 310. československé stíhací peruti

310. československá stíhací peruť RAF (anglicky: *No 310 Fighter Squadron*) byla jednou ze čtyř [československých peruti RAF](#).

Její heslo bylo anglické: WE FIGHT TO REBUILD („Bojujeme za obnovu“).

Vznik

10. července 1940 vydalo britské ministerstvo letectví rozkaz k zformování No. 310 squadron. Bojeschopnou uznána 17. 8. 1940 v [Duxfordu](#) (Duxford Aerodrome) v hrabství Cambridge. Velitelem byl ustanoven [Alexander Hess](#) a spoluvelitelem [George Blackwood](#). Vyzbrojena byla letouny Hawker Hurricane Mk. IA později Hawker Hurricane Mk. IIA. Do bojů zasahovala nad jižní Anglií a také ji neminula slavná Bitva o Británii.

Bitva o Anglii

Od září 1940 byla peruť součástí bloku [Duxford wing](#), který vedla legenda anglického letectva, beznohý stíhač [Douglas Bader](#). v tomto wingu byla od září 1940 do poloviny následujícího roku 1942. Výjimečná byla peruť těmito fakty: nejdéle působila ve svazku RAF 5 let, sestřelila 54 a 1/2 jistých plus 4 střely V-1, 20 sestřelů pravděpodobných a 32 poškozených stíhačů Luftwaffe. Zahynulo 31 jejich pilotů.

Základny

Základna

Duxford, Cambridgeshire, Norfolk

Martlesham Heath, Suffolk

Dyce, Aberdeenshire

Přezbrojení

Perranporth, Cornwall

Warmwell, Dorset

Exeter, Devon, detachment Bold Head, Devon, detachment Redhill, Surrey

Castletown, Caithness, detachment Sumburgh, Shetland Isles

Ibsley, Hampshire

Llanberd, Merioneth

Ibsley, Hampshire

Mendlesham, Suffolk

Southend, Essex

Appledram, Sussex

Tangmere, Sussex

Lympne, Kent

Digby, Lindcolnshire, detachment Hutton Cranswick, Yorkshire, přezbrojení

North Weal, Hertfordshire
